

18TH ISAMPE NATIONAL CONFERENCE ON COMPOSITES (INCCOM-18) 8-9 February 2024, Bangalore

1st Call for Papers

I am happy to inform that ISAMPE Bangalore Chapter is organizing the 18th ISAMPE National Conference on Composites (INCOMM-18) in association with CSIR -NAL at Bangalore during 8-9 February 2024.

Theme of the Conference:

Advances in Materials & Manufacturing Processes for Composites (AM²PCOM)-2023

Focus areas:

This conference provides a forum to discuss new challenges and emerging trends in composite materials and their high-performance applications. This conference particularly covers the following key areas:

- Synthesis and Processing of Composites
- Composites Tooling
- Physical, Chemical & Mechanical Characterisation
- Structural Testing and Certification of Composites
- Non Destructive Testing & Analysis,
- Fatigue & Fracture of Composites
- Composite manufacturing techniques
- FEM in Design of Composites
- Repair and Recycling Technologies
- Composite Structural Health Monitoring
- Nano-Composites
- Damage Tolerance in Composites
- Stealth materials in aerospace applications

Call for Papers:

Authors desirous of presenting papers are requested to electronically upload their abstracts (in not more than 300 words) of their original research work written in English by email to: inccom18@gmail.com

Important Dates:

Last date for submission of Abstract	: 15th Nov 2023
