Greetings from the **Indian Society for Advancement of Materials and Process Engineering (ISAMPE)**

As you may be aware ISAMPE is a professional organization that promotes the advancement and application of materials and process engineering in different areas such as aerospace, defence, composites, smart materials, manufacturing, and related technologies. The society provides a platform for scientists, engineers, researchers, academicians, industry professionals, and students to exchange knowledge and promote technological innovation.

The **ISAMPE Annual Awards** form an important part of the Society's activities and are intended to recognize outstanding contributions to materials and process engineering. These awards acknowledge innovative research, technological development, Design/Process development, technical support, and contributions by students. Over the years, awardees have included individuals and teams working in organizations such as ISRO, DRDO, CSIR,IIT's, Universities, and industry.

ISAMPE invites **nominations from eligible individuals, students, institutions, organizations and members of the professional community** for the various Annual Award categories.

Nominators are requested to submit the nominations along with the prescribed details and supporting documents, highlighting the candidate's **achievements, originality, technical contributions, impact and relevance to the respective award category**. These awards will be distributed during the Annual General Meeting (AGM) of the Society to be held on or after 2**4-Nov 2026.**

We look forward to receiving enthusiastic participation and nominations that help ISAMPE to recognize and celebrate excellence in materials and process engineering.

Category details are as given below:.

1. ISAMPE AWARD FOR OUTSTANDING DESIGN AND/OR PROCESS DEVELOPMENT

This award with a **citation and cash incentive (Rs. 10,000/-)** will be given for outstanding, innovative, engineering product design and technology development in any field of engineering carried out during the **past 3 years in the country**.

2. "Vijay Zaveri Award for Excellence in Technical Support"

ISAMPE, in association with M/s Guli Enterprises, Bangalore, has instituted this Award in memory of late Vijay Zaveri, founder Member and first Honorary Secretary of ISAMPE.

This award with a **citation and cash incentive of Rs. 5, 000/-** will be given for excellent support in the field of Fibre Reinforced Plastic (FRP) Composites.

3. ISAMPE Awards for Smart Materials and Systems Technology Development

ISAMPE has instituted the following Awards for promotion of **advanced Technology in the Country.**

A) ***"ISAMPE Award for Smart Materials and Systems Technology Development"*** with a **citation and cash incentive of Rs. 10,000/-**.

B) ***"ISAMPE Student Award for Smart Materials and Systems Technology Development"*** with a **citation and cash incentive of Rs. 5,000/-.**

Details of the award nomination/application form format and terms and conditions are attached. You can also download them from the website https://www.isampe.org/awards.php

The last date for submission of the application is 13-11-2026 (Friday) by 4 pm

YOU CAN SUBMIT THE NOMINATION AS PER THE FORMAT BY **E-MAIL (**isampeaaward@gmail.com**) OR HARD COPY BY POST.**
